

«Biology, Ecology, Eel stock management»

«*Biologie, Écologie et Gestion des Anguilles*»

GRISAM

April 24-27, 2006 edited by R. Lecomte, P. Sasal, A. Modat

### **The otolith as stress indicator of parasitism on European eel**

R. SAHYOUN, J. CLAUDET, G. FAZIO, C. DA SILVA, R. LECOMTE-FINIGER - 193-200 - [Abstract](#)

-

[rokdownload menuitem="169" downloaditem="220" direct\_download="true"]PDF[/rokdownload]

### **Concepts for characterizing spawning biomass of the European eel (*Anguilla anguilla*) in catchments**

T. ROBINET, A. ACOU, P. BOURY, E. FEUNTEUN - 201-212 - [Abstract](#) - [rokdownload menuitem="170" downloaditem="221" direct\_download="true"]PDF[/rokdownload]

### **The eel in Morocco : a resource on the edge ?**

R. SABATIÉ, G. FONTENELLE - 213-222 - [Abstract](#) - [rokdownload menuitem="171" downloaditem="222" direct\_download="true"]PDF[/rokdownload]

### **Micro-pollutant content in *Anguilla anguilla* glass eels and relationship with migratory behaviour**

S. BUREAU DU COLOMBIER, G. BAREILLE, P. LAMBERT, V. BOLLIET, A. BARDONNET - 223-228 - [Abstract](#) - [rokdownload menuitem="172" downloaditem="223" direct\_download="true"]PDF[/rokdownload]

### **Early life history of the tropical eels *Anguilla bicolor bicolor* from Cimandiri Estuary, West Java (Indonesia), as revealed by otolith microstructures**

BUDIMAWAN, R LECOMTE-FINIGER - 229-234 - [Abstract](#) - [rokdownload menuitem="173" downloaditem="224" direct\_download="true"]PDF[/rokdownload]

### **The European eel *Anguilla anguilla*, a rapporteur of the chemical status for the water**

**framework directive?**

C. BELPAIRE, G. GOEMANS - 235-252 - [Abstract](#) - [rokdownload menuitem="174" downloaditem="217" direct\_download="true"]PDF[/rokdownload]
