

Zooplankton distribution and community structure in a Brazilian coastal lagoon

C. C. BRANCO, B. KOZLOWSKY-SUZUKI, F. A. ESTEVES, T. AGUIARO - 1-9 - [Abstract](#) - [rokdownload menuitem="115" downloaditem="148" direct_download="true"]PDF[/rokdownload]

Sedimentary characteristics, macroinfauna and types and abundances of bivalves in a tidal flat of the nord-Patagonic archipelagos, Chile

E. JARAMILLO, J. LÓPEZ, M. INCERA, M. LASTRA, H. CONTRERAS, C. DUARTE - 11-23 - [Abstract](#)

- [rokdownload menuitem="116" downloaditem="149" direct_download="true"]PDF[/rokdownload]

Spatial patterns of soft-bottom macro-invertebrates and relationships with environmental conditions in a north African coastal lagoon (Smir lagoon, Morocco)

A. CHAOUTI, A. BAYED - 25-35 - [Abstract](#) - [rokdownload menuitem="117" downloaditem="150" direct_download="true"]PDF[/rokdownload]

***Endeis charybdaea* (Dohrn, 1881) (Arthropoda, Pycnogonida): a sea spider new for the eastern Mediterranean**

C. KOCAK, T. KATAGAN - 37-38 - [Abstract](#) - [rokdownload menuitem="118" downloaditem="151" direct_download="true"]PDF[/rokdownload]

Habitat preferences, distribution, and abundance of *Gobius vittatus* (Gobiidae) in the Kvarner area (northern Adriatic Sea)

M. KOVACIK, M. ARKO PIJEVAC - 39-45 - [Abstract](#) - [rokdownload menuitem="119" downloaditem="153" direct_download="true"]PDF[/rokdownload]

Maturity, fecundity and occurrence of the smallspotted catshark *Scyliorhinus canicula* (Chondrichthyes: Scyliorhinidae) off the Languedocian coast (southern France, north-western Mediterranean)

C. CAPAPÉ, O. GUÉLORGET, Y. VERGNE, C. REYNAUD, J.-P. QUIGNARD - 47-55 - [Abstract](#) - [rokdownload menuitem="120" downloaditem="152" direct_download="true"]PDF[/rokdownload]

Diet of the angular rough shark *Oxynotus centrina* (Chondrichthyes: Oxynotidae) off the Languedocian coast (southern France, north-western Mediterranean)

C. CAPAPÉ - 57-61 - [Abstract](#) - [rokdownload menuitem="121" downloaditem="154" direct_download="true"]PDF[/rokdownload]

Notes on the reproduction of the cardinal fish *Apogon imberbis* from Lachea Island, central Mediterranean, Sicily, Italy

C. MAZZOLDI, A. RANDIERI, E. MOLLICA, M. B. RASOTTO - 63-66 - [Abstract](#) - [rokdownload menuitem="122" downloaditem="155" direct_download="true"]PDF[/rokdownload]

Functional groups to establish the ecological quality of soft benthic fauna within Tunis Bay (western Mediterranean)

R. AYARI, A. AFLI - 67-75 - [Abstract](#) - [rokdownload menuitem="123" downloaditem="156" direct_download="true"]PDF[/rokdownload]

Lipid (energy) reserves of European hake (*Merluccius merluccius*) in the north-western Mediterranean

J. LLORET, M. DEMESTRE, J. SANCHEZ-PARDO - 77-85 - [Abstract](#) - [rokdownload menuitem="124" downloaditem="157" direct_download="true"]PDF[/rokdownload]
