

Seasonal variation of clutch size in the crangonid shrimp *Philocheras trispinosus* (Crustacea: Decapoda) in the western Mediterranean (Spain)

A. Sanz-Brau, J. A. Gil-Delgado, F. Mesquita-Joanes - 283-289 - [Abstract](#) - [rokdownload menuitem="159" downloaditem="201" direct_download="true"]PDF[/rokdownload]

Distribution and some aspects of the biology of *Scaevurgus unicirrhus* (Cephalopoda: Octopodidae) in the southern Tyrrhenian Sea (central Mediterranean)

D. GIORDANO, T. BOTARI, A. PERDICHIZI, L. PIRERA, A. PROFETA, B. BUSALACCHI, P. RINELI - 291-297 - [Abstract](#) - [rokdownload menuitem="160" downloaditem="202" direct_download="true"]PDF[/rokdownload]

Putative effects of recreational fishing of *Paracentrotus lividus* on populations of sea urchins in Mediterranean shallow water

A. TESSIER, T. POISOT, P. ROMANS, Y. DESDEVISES - 299-305 - [Abstract](#) - [rokdownload menuitem="161" downloaditem="200" direct_download="true"]PDF[/rokdownload]

Seed maturity of the Mediterranean seagrass *Cymodocea nodosa*

M. DOMÍNGUEZ, E. INFANTES, J. TERADOS - 307-312 - [Abstract](#) - [rokdownload menuitem="162" downloaditem="203" direct_download="true"]PDF[/rokdownload]

Experimental evidence that vehicle traffic changes burrow architecture and reduces population density of ghost crabs on sandy beaches

T. A. SCHLACHER, S. LUCREZI - 313-320 - [Abstract](#) - [rokdownload menuitem="163" downloaditem="204" direct_download="true"]PDF[/rokdownload]

Comparing spatial rarity between long distance migrants and sedentary bird species using atlas data and diversity/dominance diagrams

C. BATTISTI, A. GUIDI - 321-326 - [Abstract](#) - [rokdownload menuitem="164" downloaditem="205" direct_download="true"]PDF[/rokdownload]

Quantitative sampling of sub-tidal echinoderms in the Azores

J. MICAEL, M. J. ALVES, M. B. JONES, A. C. COSTA - 327-333 - [Abstract](#) - [rokdownload
